FREE BUSINESS MENTORING/CONSULTING OFFERED

As a member benefit, HBANM members can get a free (\$2,200 value) business diagnostic assessment and plan of actions with no strings attached from an agreement that Growth Partners has with the HBA of Michigan. While members may choose to hire Growth Partners after receiving their assessment, there are no requirements to do so. Comments Bob Filka of the HBA of Michigan, "Unlike any other program we have, I've never received a negative review on this one. Never. To the contrary, even those who don't use them for additional coaching have lauded their assessment work." If you would like more information on this program, contact info@hbanm.com.
